In the Spotlight CREA'8

CREA'8 is our Sunday school group for children aged 3-11years. It has now been running for nearly a year!! We are so blessed with how it has begun to develop and grow. We started out in May 2024 and we had around 12 children. The numbers do fluctuate but recently we had an amazing 21 children!!! Most of the children who attend also attend other groups at BCC, some are from Little Wrigglers past and present and some come from SPLAT. We usually start each session with a few energetic songs and its great to see the children joining in with the actions. They even request their favourites now too! We also have a game that usually links to the theme for the morning. Then we have a Bible story which we present in different ways: either with props, role play or watching video clips. After the story we say a prayer and some children want to say a prayer of their own. Then we enjoy making the crafts which again link to the story or theme. It is lovely to see some parents joining us at the end to see the children share with the church what they have made. It is such a privilege and a blessing to be able to open up the Bible and share the love of God with these precious ones. Many thanks go out to the CREA'8 helpers who are such a great support to me: Claire Goodland, Jo Rayner, Sheila Ward and Rebekah Harris. Also thanks to those who help to prepare the room on a Friday and those who come to tidy up with us at the end!!
