# UPCOMING EVENTS

## Cinema night - Saturday 11th April @ 7pm

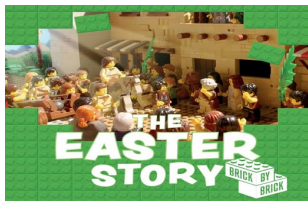

This is a free event with refreshments and snacks available to buy. The film for this month is 'Welcome to Paradise'

Debbie Laramie uproots her home life in Dallas when she is transferred to a small church in the sleepy town of Paradise, Texas. Once there, Debbie and her teenage son brave a bumpy road as they adjust to a community in need of a guide back to God. The plucky pastor's unique approach to church life polarizes the members evermore, until a dark catastrophic chain of events leaves them without a building at all. An old barn is their only chance to keep the church alive. With the help of her supporters and even a few naysayers, Debbie turns a humbling challenge into an opportunity to breathe new life into the community and inspires her new church to trust in her and God's plan.

# FAITH BUILDERS

*God is our refuge and strength, a very present help in trouble. Therefore we will not fear, even though the earth be removed... the mountains be carried into the sea... its waters roar and are troubled... the mountains shake with its swelling. (Psalm 46:1-3 abbreviated)*

On the night of the 27th January a huge storm, called Kristin, swept across much of Portugal. Its effects can still be seen following landslides that occurred, houses that collapsed and roads that were twisted beyond repair. A section of the Lisbon – Porto motorway had fallen into floodwater near Coimbra, so traffic had to be diverted for a time, but it is now reopened. Some 5000 properties were without electricity for almost a month, while some people are still out of work due to factories and warehouses being damaged.

All this reminds me of the words of the psalm above which describes a massive storm, with the earth moving, mountains shaking and troubled waters roaring! Sometimes life can feel like just like that. Things can be going well for us, then suddenly a storm unexpectedly crops up and the next thing we know is that we are caught up in all kinds of turbulence. But the writer also reminds us that God, our refuge and strength, is a very present help in troubled times. Then, while the nations rage, God Himself tells us to be still and to know that He is God! So, when any troubles come, remember...

The Lord of hosts is always with us.

**"My God shall supply all your needs according to his riches in glory by Christ Jesus"**  
**Phil 4.19**

I have been proving the Lord's faithfulness to his promise in amazing ways during the past 4 months. It's been an unusual time in my life; helping Sheila to move into West Abbey and clear Rosecroft ready for sale. An old hymn says " the hand of God in all my life I see": this has been my experience daily, often many times a day. The prompting

and restraints from the Holy Spirit giving wisdom in decision making, physical strength supplied together with a variety of help from the Body of Christ. This has seen Sheila established in her new home and all but the large furniture cleared from the bungalow in 2 1/2 months. Thank you Lord and thank you church family for your help and prayers.
